

WHERE DOES YOUR TALENT GO WHEN THEY LEAVE YOUR ORGANIZATION?

Top Talent Gain and Drain Companies

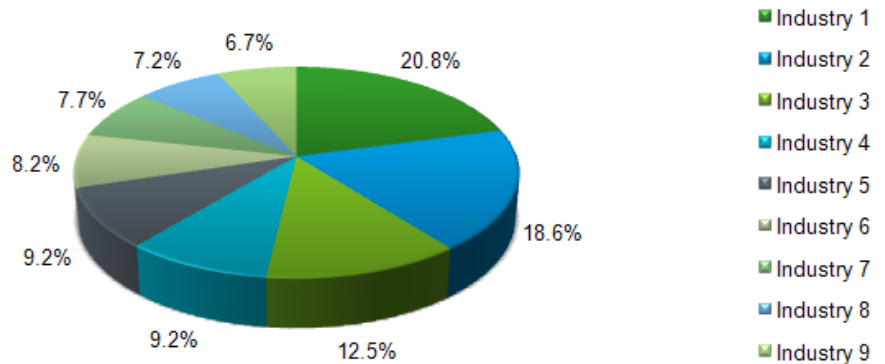

Do you know if you are recruiting talent from top notch competitors?

Do you know what companies you lose most of your top talent to and why?

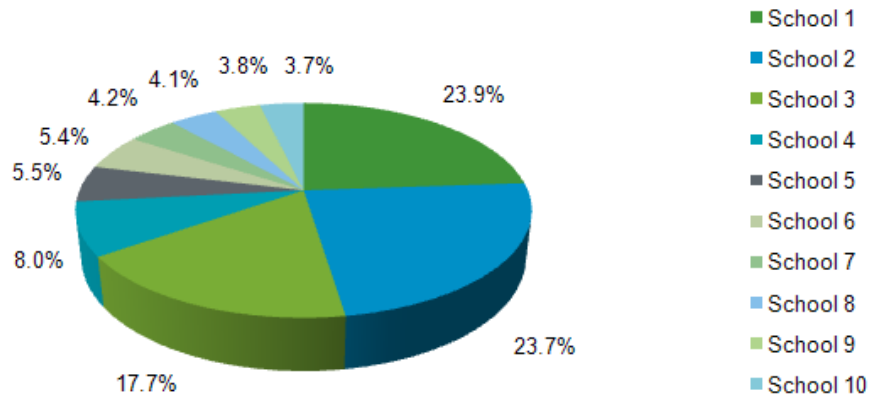

Top industries talent joins after leaving your organization

Only 20 percent of company gain and drain happens with companies in your same industry.

Do you know what industries you are losing talent to, and what unique differentiators these industries have?

Top schools talent comes from

Knowing whether employees prefer more traditional or more unconventional schooling can help an organization shape internal training programs because that knowledge provides insights for how the employees prefer to learn.
