

Are You the Office Party Animal?

Were you the kind of college student who drank to excess every night and could always be counted on to do something wild and outrageous? Most of us stopped partying till dawn when we entered the workplace, but some people—hint, hint—don't realize that having perpetually puffy and bloodshot eyes isn't quite as cute at thirty-six as it was at twenty-four. Take the following quiz to find out if you share any traits with the Office Party Animal.
